

Grout Cleaner

PUREOUS™ Grout Cleaner is a cleaning product specifically formulated for all types of grout from cement based to latex-modified. The product uses a revolutionary technology that cleans, remediates, removes and repels dirt grease and grime from grout.

Technology

PUREOUS™ Grout Cleaner is a revolutionary new product that works by use of PUREOUS™ powered technology that cleans on the molecular level. Common grout cleaners are among the most dangerous products in use, most of which are strong acids that can easily damage tile or stone.

Simplicity

PUREOUS™ Grout Cleaner is SAFE and EFFECTIVE. The technology behind our PUREOUS™ Grout Cleaner will likely revolutionize the way we clean grout. Today, common grout cleaners are among the most dangerous products in use, containing chemicals such as strong acids. PUREOUS™ Grout Cleaner has been proven to work better, last longer and does not contain toxins or harsh chemicals. In addition, PUREOUS™ Grout Cleaner has ZERO volatile organic compounds (VOCs).

Green & Safe

PUREOUS™ Products are environmental, animal and people friendly. They contain none of the toxins, harsh chemicals, fragrances, dyes, allergens, or volatile organic compounds (VOCs) found in many traditional cleaning and odor products. This product also removes toxins and harsh chemicals that can build up over time, improving indoor air quality and making the environment healthier every time you use PUREOUS™.

** This product is odorless and colorless.*

DIRECTIONS

General Grout Cleaning

Dilute 1:10 (12oz./gal)

Apply with hand or pump sprayer, pressure washer, mop, or sponge.

For tough jobs leave product on 3 to 5 minutes.

Agitate as needed.

Clean excess with damp cloth or mop. For large areas rinse and squeegee.

For best results do not allow product to dry on hard surface.

PUREOUS™ is Different

Most cleaning, remediation and odor products are worse than the problems they try to solve. PUREOUS™ Products are proven to be more effective than the competition, safer for the environment and healthier for people and animals. Using PUREOUS™ Products actively improves indoor air quality.

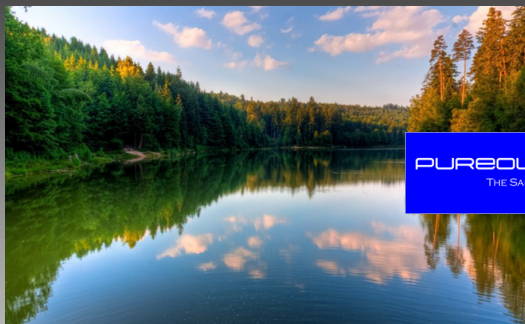

Unlike other cleaning, remediation and odor elimination products, PUREOUS™ patented and proprietary products are proven effective without exposing people to toxins, harsh chemicals, allergens or volatile organic compounds (VOCs).

PUREOUS™ uses a revolutionary technology that produces ZERO VOCs and has been proven to be more effective than the competition and safer for people, animals and the environment. This innovative technology is also cost-effective – allowing for better, more efficient cleaning that becomes easier and requires less of the product over time.
