

Heavy Duty Cleaner

PUREOUS™ Heavy Duty Cleaner is our most powerful product formulated for your nastiest crud and grime.

Technology

PUREOUS™ Heavy Duty Cleaner is a revolutionary new product that works by use of PUREOUS™ powered technology that cleans on the molecular level. PUREOUS™ Heavy Duty Cleaner product, uses a combination of silicate reaction and surface charge modification to release oils and grease from surfaces while breaking them down through molecular degradation.

Simplicity

PUREOUS™ Heavy Duty Cleaner is our most powerful easy to use all-purpose cleaner that will effectively clean all types of surfaces. It works to break down Fats, Oils, and Grease (FOG) in commercial and institutional food settings. This leads to cleaner floor drains, less odor and the reduction of pests that are attracted to and feed off residual waste in those drains.

Green & Safe

PUREOUS™ Products are environmental, animal and people friendly. They contain none of the toxins, harsh chemicals, fragrances, dyes, allergens, or volatile organic compounds (VOCs) found in many traditional cleaning products. This product also removes toxins and harsh chemicals that can build up over time, improving indoor air quality and making the environment healthier every time you use PUREOUS™.

** For best results, spot test for colorfastness prior to application, make contact with containment, and do not apply on hot surface*

DIRECTIONS

Light Cleaning	Dilute 1:70 (2oz./gal) Spray surface and wipe with sponge, brush, mop, or cloth
Normal Cleaning	Dilute 1:30 (4oz./gal) Spray surface and wipe with sponge, brush, mop, or cloth
Heavy Cleaning	Dilute 1:10 (12oz./gal) Apply with hand or pump sprayer, pressure washer, mop, or sponge. For tough jobs leave product on 3 to 5 minutes. Agitate as needed. Clean excess with damp cloth or mop. For large areas rinse and squeegee.

PUREOUS™ is Different

Most cleaning, remediation and odor products are worse than the problems they try to solve. PUREOUS™ Products are proven to be more effective than the competition, safer for the environment and healthier for people and animals. Using PUREOUS™ Products actively improves indoor air quality.

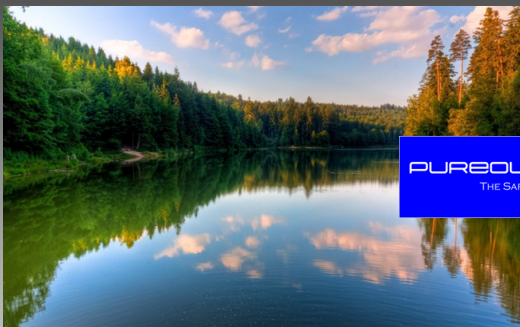

Unlike other cleaning, remediation and odor elimination products, PUREOUS™ patented and proprietary products are proven effective without exposing people to toxins, harsh chemicals, allergens or volatile organic compounds (VOCs).

PUREOUS™ uses a revolutionary technology that produces ZERO VOCs and has been proven to be more effective than the competition and safer for people, animals and the environment. This innovative technology is also cost-effective allowing for better, more efficient cleaning that becomes easier and requires less product over time.

PUREOUS™ Products

- ZERO VOCs
- Improves Indoor Air Quality
- FREE from Toxins & Harsh Chemicals
- Rapidly Biodegradable
- Hypo-Allergenic & FREE from Dyes, Perfumes, Oils, Scents and Other Fragrances
- Non-Hazardous and can be Discharged into the Sanitary Sewer or Septic System
- Manufactured with Sustainable Resources in a Zero Discharge Facility
- Allow for better, more efficient cleaning that becomes easier and requires less product over time

Heavy Duty Cleaner User and Color Code Guide

PUREOUS™ Heavy Duty Cleaner is a quick penetrating super-strength formula great for grease, oil and other factory soils. Recommended for cleaning equipment, machinery and parts. Also for floors, stoves, tile & hardwood floors, concrete floors (shops), counter tops, stainless steel, table surfaces, carpet extraction, etc.

(This product is non-hazardous and is odorless and colorless.)

Heavy Cleaning - Dilution 1:10

- **Apply with sprayer (best results) or with cloth, mop, or sponge**
- **Agitate if necessary**
- **Wipe clean with cloth or dry mop**
- **Repeat as Necessary**

Examples: machinery, engines, heavy buildup areas, etc.

- Although the product has been used on all types of surfaces it is a good idea to spot test before use to ensure colorfastness.
- Application process – The product must make good contact for best results. Agitate to ensure contact.
- For best results do not let dry on hard surfaces – wipe clean with a damp cloth or sponge.
- The product contains Zero VOC's, is free from toxins and harsh chemicals, hypoallergenic and free from dyes, perfumes, oils, scents, and other fragrances.
- Disposal – The product is non-hazardous and can be discharged into the sanitary sewer or septic system.
